A BOOM

Does not ultimately bring about the best results
to a community.

THE PAN-HANDLE

is not on a boom, but is enjoying the most rapid
growth of any section of Texas.

Why? Because only recently have the pub-
lic at large realized the opportuni-
ties which this northwest section of
Texas offers. The large ranches are being divided into

SMALL STOCK FARMS

Wheat, Corn, Cotton, Melons and all kinds of Feed Stuffs are being
raised in abundance, surpassing the expectations of the most sanguine
—a country abounding in such resources (tried and proven), together
with the LOW PRICE of Lands, cannot help enjoying a most rapid
growth, and that is what is happening in the Pan-Handle.

The DENVER ROAD

has on sale daily a low rate home-seekers ticket, which allows you
stop-overs at nearly all points, thus giving you a chance to investigate
the various sections of the Pan-Handle. Write
